## \$16 Helps Stretch Your Food Budget

### What is a \$16 benefit worth?

It may be more than you think.

### \$16 could buy:

half-gallon of milk  
loaf of whole grain bread  
stick of margarine  
can of tuna  
1 lb. of carrots  
bunch of celery  
2 bananas  
5 apples  
1 lb. frozen green beans  
1 lb. chicken breast

### How can I increase my benefit?

- If you are age 60 or older or if you have a disability, your benefit may go up if you claim all your out-of-pocket medical costs, such as insurance premiums.
- If you qualify for fuel assistance (even if heat is included in your rent), you may be able to get a higher food benefit.
