

3SquaresVT Time Limited Benefits

People who are between 18-52 years old and are not disabled, pregnant, or caring for children are subject to time limited benefits unless they report certain work hours and activity or meet an exemption.

EXEMPTIONS SCREENING

This section will help determine if someone is exempt from the time limit. If they ARE exempt, they can get 3SquaresVT for as long as they meet eligibility requirements. Verification may be required.

- I am under the age of 18.
- I am over the age of 52 or will be this month.
- I am under 25 and am/was in foster care on my 18th birthday.
- I have a physical or mental health issue that stops me from meeting the work reporting requirements.
- I have a personal issue that stops me from meeting the work reporting requirements at this time.
- I am a Veteran.
- I am experiencing homelessness.
- I meet a General Work Requirement exemption. See vermontfoodhelp.com/work-reporting-requirements for more information.
- I live in a 3SquaresVT household with a child under age 18 (this can be your own child, sibling, or any other child in your 3SquaresVT household).
- I am pregnant (any stage of pregnancy).
- I am enrolled in an institution of higher ed or certificate training for at least half-time (additional student rules may apply).
- I work over 30 hours per week or earn \$935.25 per month.
- I live in a town with a geographic exemption (to check, visit vermontfoodhelp.com/work-reporting-requirements).

If none of the above apply to you, and you are subject to time limited benefits, you will need to meet a work requirement (see backside) OR only receive 3 months of 3SquaresVT benefits within a 3 year period.

MEETING THE WORK REQUIREMENT

To meet the work requirement you must work, volunteer, or participate in certain employment and training activities for at least 20 hours per week or a total of 80 hours per month. People who need to meet this requirement will have to answer yes to at least one of the following:

- Work, volunteer, or participate in an employment and training (E&T) program at least 20 hours per week or a total of at least 80 hours per month.
- Do a combination of any of the above to meet the weekly or monthly requirement.
- Participate in Workfare by volunteering at any public or private non-profit agency and meeting the hours determined by household's 3SquaresVT benefit and the current state minimum wage.

If you aren't excused from or already meeting the work requirement, Economic Services can help you understand how to meet the work requirement. Otherwise, you may only receive 3 months of benefits within a 3 year period until you meet or are newly exempt from the work requirement.
